

Nordic Conference on Future Health 2026

NCFH
2026

Biobanks, multimodal data, and AI

Save the Date 14-16 September 2026 · Copenhagen · Denmark

Welcome to NCFH2026

We invite you to attend the joint Nordic Conference on Future Health (NCFH 2026), organized in collaboration between the Nordic Society of Human Genetics and Precision Medicine (NSHG-PM), Statens Serum Institut (SSI), BBMRI.dk and Nordic Biobank Network.

The NCFH 2026 conference will be an important arena to share knowledge and to network between Big Data biomedical scientists, biobank administrators, clinicians, biomedical industry researchers and executives, health system administrators, policymakers, educators and more.

Highlighted conference topics

- Newborn Sequencing
- Multimodal Data & Multimodal Integration
